that was written by MALCOLM X to Mayor ROBERT F. WAGNER
of New York City, dated May 23, 1958, concerning the
incident which occurred on May 14, 1958. Portions of
it read as follows:

NY 105-29845

"Honorable Mayor

"The outraged Moslems of the African-Asian world join us in calling for an immediate investigation by your office into the insane conduct of irresponsible white police officers who seem to have thought their white faces were sufficient 'badge' to force the way into private homes of innocent law-abiding darker citizens under the false pretense that they are looking for an unknown unidentified party called Margaret Dorsey.

"The white officers of the law were not satisfied invading and endangering the homes and lives of the first floor occupants. Instead of searching downstairs where their professed suspect was supposed to be they dashed up the back stairs and smashed away into the upstairs apartments too. They battered down the door to my private apartment shattering glass throughout my residence. In their frenzy the white maniacs representing the New York City Police Force endangered the lives of our wives, babies and children who had locked themselves into my private bedroom to escape the uncontrollable rath of the inhuman white cops who were tearing up our home like ferocious wild beasts. Your New York police officers threatened to break down my bedroom door if my pregnant wife did not unlock it and let them in and then to throw her down the back stairs because she wasn't moving fast enough to suit them."

T-2 advised on June 6, 1968, that he knows the subject to be the wife of MALCOLM LITTLE, Minister of Temple Number 7, Nation of Islam (NOI), but he has no information to report concerning any possible NOI activities on her behalf.

APPENDIX

NATION OF ISLAM,
FORMERLY REFERRED TO
AS MUSLIM CULT OF ISLAM,
ALSO KNOWN AS
MUHAMMAD'S TEMPLES OF ISLAM

In February, 1957, a confidential informant advised that the "Nation of Islam" is an organization composed entirely of Negroes which was organized in 1930 in Detroit, Michigan. The national leader is Elijah Muhammad, who claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America. According to Muhammad, the purpose of the organization is to establish an independent black nation in the United States.

Members follow the teachings of Muhammad, which are allegedly based on his interpretation of the "Koran." They are taught that there is no such thing as a Negro; that the so-called Negro race is the original race on earth and is Asiatic in origin and nature; that they are not citizens of the United States but merely slaves; that the white race, referred to as "white devils," is inferior to the Negro race but has exploited the Negroes, imposed slave names upon them, withheld from them the history of their true identity and culture, and, as a consequence, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the "Nation of Islam," including Elijah Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

In January, 1957, another confidential informant related that Muhammad stated that upon advice of legal counsel, he had tempered his personal statements and instructions to his ministers concerning the tenets and principles of this organization in order to avoid prosecution by the Government for violation of the laws of the United States. However, he has not indicated any fundamental changes are proposed in the teachings of the organization.

NATION OF ISLAM (CONT'D)

Another source of information advised on March 22, 1957, that Muhammad's Temple of Islam, Incorporated, Temple No. 7, 102 West 116th Street, New York, New York, is the New York City affiliate of the Nation of Islam under Elijah Muhammad of Chicago, Illinois.

On April 30, 1957, the first source of information mentioned above advised that the Fruit of Islam (FOI) is a group within the Nation of Islam composed of all able-bodied male members of the Nation of Islam. The purpose of the FOI is to protect officials and property of the Nation of Islam, assure compliance of members with Nation of Islam teachings, and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

NATION OF ISLAM,
FORMERLY REFERRED TO AS
MUSLIM CULT OF ISLAM, ALSO
KNOWN AS MUHAMMAD'S
TEMPLES OF ISLAM

On June 23, 1958, a source advised that Nation of Islam Temple No. 7, 102 West 116th Street, New York, New York, is the New York City affiliate of the Nation of Islam (NOI), formerly referred to as the Muslim Cult of Islam and Muhammad's Temple of Islam, under the direction and control of Elijah Muhammad, the national leader of the NOI with headquarters at Chicago, Illinois. This source further advised that the Nation of Islam Temple No. 7 was founded in New York shortly following World War II.

In February, 1957, a source advised that the "Nation of Islam" is an organization composed entirely of Negroes which was organized in 1930 in Detroit, Michigan. The national leader is Elijah Muhammad, who claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America. According to Muhammad, the purpose of the organization is to establish an independent black nation in the United States.

Members follow the teachings of Muhammad, which are allegedly based on his interpretation of the "Koran." They are taught that there is no such thing as a Negro; that the so-called Negro race is the original race on earth and is Asiatic in origin and nature; that they are not citizens of the United States but merely slaves; that the white race, referred to as "white devils," is inferior to the Negro race but has exploited the Negroes, imposed slave names upon them, withheld from them the history of their true identity and culture, and, as a consequence, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the "Nation of Islam," including Elijah Muhammad, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

~~CONFIDENTIAL~~

NATION OF ISLAM (CONT'D)

In January, 1957, another confidential informant related that Muhammad stated that upon advice of legal counsel, he had tempered his personal statements and instructions to his ministers concerning the tenets and principles of this organization in order to avoid prosecution by the Government for violation of the laws of the United States. However, he has not indicated any fundamental changes are proposed in the teachings of the organization.

On April 30, 1957, the second source of information, mentioned above, advised that the Fruit of Islam (FOI) is a group within the Nation of Islam composed of all able-bodied male members of the Nation of Islam. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings, and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

Rerep of SA [redacted], dated August 29, 1958, at New York, captioned "BETTY LITTLE, wa. Mrs. Malcolm Little, SM - NOI."

The title of this case has been changed to reflect Subject's maiden name of BETTY D. SANDERS, as Mrs. LORENZO MALLOY advised this was the Subject's maiden name.

On November 14, 1958, SA [redacted] using the pretext that he was conducting an investigation and attempting to identify one BETTY SANDERS, reason not specified, interviewed Mrs. LORENZO D. MALLOY, 313 Hague, Detroit. Mrs. MALLOY advised as follows:

She and her husband were the guardian of BETTY D. SANDERS, but not the legal guardian. This BETTY D. SANDERS was born May 28, 1934, in Georgia, place unknown. Her mother and father are divorced and her mother remarried; she does not know the present whereabouts of BETTY SANDERS' mother or father. After the divorce of her parents, BETTY SANDERS lived for a time with her grandparents in Georgia and then with her mother in Georgia. She is related to the MALLOYS, just how Mrs. MALLOY would not state, and when she was fifteen years of age, the MALLOYS took over her guardianship. She lived with the MALLOYS at 313 Hague Street, Detroit, until she graduated from Northern High School in Detroit in January, 1952, when she left Detroit to attend Tuskegee Institute in Alabama. She attended Tuskegee Institute, Tuskegee, Alabama, for two years, taking a nurse's training course, but did not complete it. She then went directly to Brooklyn State Hospital for nurse's training. She has only visited in Detroit once for a few days since she graduated from high school in January, 1952.

On November 14, 1958, a Special Agent of the FBI using a suitable pretext, interviewed Mrs. LORENZO D. MALLOY, 313 Hague Street, Detroit. Mrs. MALLOY advised as follows:
~~LORENZO D. MALLOY~~ ~~Michigan~~

She and her husband were the guardians of BETTY D. SANDERS, but not the legal guardians. This BETTY D. SANDERS was born May 28, 1934, in Georgia, place unknown. Her mother and father are divorced and her mother remarried. She does not know the present whereabouts of BETTY SANDERS' mother or father.

After the divorce of her parents, BETTY SANDERS lived for a time with her grandparents in Georgia, and then with her mother in Georgia. She lived with the MALLOYS at 313 Hague Street, Detroit, until she graduated from Northern High School in Detroit, in January, 1952, when she left Detroit to attend Tuskegee Institute in Alabama. She attended Tuskegee Institute, Tuskegee, Alabama, for two years, taking a nurse's training course, but did not complete it. She then went directly to Brooklyn State Hospital for nurse's training.

BETTY SANDERS has only visited in Detroit once for a few days since she graduated from high school in January, 1952. While in Detroit, she was a member of the African Methodist Episcopal Church. She recently married a man

Included in this file was a note by Summer School Principal JOSEPH MISCHIELLA that on August 15, 1957, BETTY SANDERS transferred to Long Island University, at which time her address was 681 Clarkson Avenue, Brooklyn, New York.

D. Criminal Record

On January 8, 1959, [redacted] Clerk, Identification Division, Detroit Police Department; [redacted] Clerk, Wayne County Sheriff's Office; and Sergeant [redacted] Subversive Squad, Detroit Police Department, advised SE [redacted] that their files contained no arrest record identifiable with the Subject.

APPENDIX

NATION OF ISLAM

Formerly referred to as
Muslim Cult of Islam,

Also known as
Muhammad's Temples of Islam

In January, 1957, a Source advised that ELIJAH MUHAMMAD had described his organization on a nationwide basis as the "Nation of Islam" and "Muhammad's Temples of Islam."

On December 22, 1958, another Source advised that the NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD, its present national leader, claims to have been selected by ALLAH, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States.

Members following MUHAMMAD's teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first Source related that MUHAMMAD, upon advice of legal counsel, had tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government. However, he did not indicate any fundamental changes in the teachings of his organization.

On December 16, 1958, another Source reported that MUHAMMAD early in July, 1958, had decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him to acquire additional followers and create more interest in his programs.

I. AFFILIATION WITH THE NATION
OF ISLAM (NOI)

NY T-1 advised on February 3, 1959, that the subject attended a Muslim Girls Training (MGT) meeting held on January 29, 1959, at the University of Islam Number 2, 5333 South Greenwood Avenue, Chicago, Illinois.

NY T-2 advised on February 3, 1959, that the subject spoke at an NOI meeting held at Temple Number 2, 5335 South Greenwood Avenue, Chicago, Illinois, on February 1, 1959. The informant reported as follows concerning the subject's speech at this meeting:

"Betty X, the wife of Malcolm X from Temple Number 7, New York City, said that Elijah Muhammad is providing jobs and opportunity for all of us. She said we are going to have a bank of our own here in Chicago and we are going to loan money. This bank is being organized on paper now. Everytime there are enough members to get a number for a temple, we are going to have a restaurant, dress shop, and bakery, just like we have in Chicago. We are also going to open a health center here. We want educated members with college degrees to help us so they can help their own people."

NY T-1 advised on April 7, 1959, that a hygiene class was taught by BETTY X from Temple Number 7, New York City at the MGT meeting held on April 2, 1959, at the University of Islam Number 2, 5333 South Greenwood Avenue, Chicago, Illinois.

NY T-1 advised on April 9, 1959, that BETTY X, of Temple Number 7, New York City, taught a class on hygiene and morals at the MGT meeting held on April 9, 1959, at the University of Islam Number 2, 5333 South Greenwood Avenue, Chicago, Illinois.

NY 105-29845

II. STATUS OF CRIMINAL PROCEEDINGS

[redacted] Calendar Clerk, Queens County Court House, Long Island City, New York, advised SA [redacted] on March 18, 1959, that the jury returned a verdict on this date acquitting BETTY LITTLE of all charges contained in Queens County Grand Jury Indictment Number 521-58.

III. MISCELLANEOUS

NOI informants familiar with some NOI activities in the New York City area were contacted and they all advised they possess no additional information regarding the subject.

APPENDIX

MUSLIM GIRLS TRAINING (MGT)

On January 20, 1959, a source advised that the MUSLIM GIRLS TRAINING is a group within the NATION OF ISLAM and is composed of all female members of the NOI. The MGT is similar in structure to the FRUIT OF ISLAM, which is composed of all male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics, and other subjects such as Muslim history and the English language. There also exists a Junior MGT which is composed of female members of the NOI who are between the ages of 15 and 19 and who are afforded military-type drill.

Since 1957 various officers and "sisters" of the MGT have, at meetings of the MGT, used the term MGT so that it also means General Civilization Class. General Civilization Class refers to classes conducted within the MGT.

The above refers to activities of the MGT at Muhammad's Temple of Islam No. 2, 5335 South Greenwood, Chicago, Illinois.

On January 19, 1959, another source advised that the MGT is a group within the NOI which is composed of all female members of the NOI. The MGT is similar in structure to the FRUIT OF ISLAM, which is composed of all male members of the NOI. In theory the MGT exists in all Temples of the NOI and is patterned after the MGT at Muhammad's Temple of Islam No. 2, Chicago. General Civilization Class refers to the collective group of classes held within the MGT.

The following information was received from sources who have furnished reliable information in the past:

BETTY LITTLE has been active in the NOI and MGT from 1958 until she was expelled in March, 1964, because she "attended meetings of the MMI", which organization was founded by her husband MALCOLM K. LITTLE, commonly known as MALCOLM X, who is also President of the MMI and who was also expelled from the NOI. BETTY LITTLE on numerous occasions in 1959, was a house guest of ELIJAH MUHAMMAD, national leader of the NOI. BETTY LITTLE has attended meetings of the OAAU in NY in 1964.

In view of the fact that BETTY LITTLE was very active in the NOI and the MGT from 1958 to 1963, and is now attending OAAU meetings, and is the wife of MALCOLM X., founder and president of the MMI and founder and chairman of the OAAU, it is believed that BETTY LITTLE meets the Security Index criteria and it is recommended that she be placed on the Security Index.

On June 9, 1958, NY T-1 made available a letter that was written by MALCOLM X. (husband of BETTY LITTLE) to Mayor ROBERT F. WAGNER, New York City, dated May 23, 1958, concerning the incident which occurred above on May 14, 1958.

Portions of it read as follows:

"Honorable Mayor

"The outraged Moslems of the African-Asian world join us in calling for an immediate investigation by your office, into the insane conduct of irresponsible white police officers who seem to have thought their white faces were sufficient 'badge' to force their way into private homes of innocent-law-abiding darker citizens, under the false pretense that they are looking for an unknown, unidentified party called Margaret Dorsey.

"The white officers of the law were not satisfied invading and endangering the homes and lives of the first floor occupants, instead of searching downstairs where their professed suspect was supposed to be, they dashed up the back stairs and smashed a way into the upstairs apartments, too. They battered down the door to my private apartment, shattering glass throughout my residence. In their frenzy, the white maniacs representing the New York City Police Force, endangered the lives of our wives, babies and children, who had locked themselves into my private bedroom to escape the uncontrollable rath of the inhuman white cops who were tearing up our home like ferocious wild beasts. Your New York Police Officers threatened to break down my bedroom door if my pregnant wife did not unlock it and let them in, and then to throw her down the back stairs because she wasn't moving fast enough to suit them."

NY 105-29845

NY T-2 advised on June 6, 1958, that he knows BETTY LITTLE to be the wife of MALCOLM LITTLE, the Minister of Temple Number 7, Nation of Islam (NOI).

[redacted] Calendar Clerk, Queens County Courthouse, Long Island, New York, on June 18, 1958, advised that BETTY LITTLE and three others were indicted by the Queens County Grand Jury in an indictment Number 521-58, filed on June 2, 1958, charging them with Assault in Second Degree, 4 Counts, Conspiracy, Violation of Section 1824 of the Penal Law, 2 Counts, (attempting to prevent officers from performing duties), Violation of Section 1825, 2 Counts (resisting officer of law) and Violation of Section 1851, 2 Counts (resisting public officer in discharge of his duties).

[redacted] stated on June 3, 1958, that warrants were issued for the arraignment and pleading of BETTY LITTLE and others. They were arraigned on June 3, 1958, however, pleading was adjourned until June 18, 1958. BETTY LITTLE was released on \$1,000.00 bail.

[redacted] advised SA [redacted] on March 18, 1959, that the jury return a verdict on the same date, acquitting BETTY LITTLE of all charges contained in Queens County Grand Jury, Indictment Number 521-58.

On December 4, 1958, SA [redacted] requested a search be made of the arrest records of the Tuskegee Police Department, Tuskegee, Alabama. No arrest record could be located identifiable with BETTY LITTLE. A search was also made on the same date of the criminal docket in the Office of the Criminal Court of Macon County, Alabama, and no arrest record could be located identifiable with BETTY LITTLE.

FRUIT OF ISLAM

On May 8, 1964, a source advised that the Fruit of Islam (FOI) is a group within the Nation of Islam (NOI) composed of male members of the NOI. The purpose of the FOI is to protect officials and property of the NOI, assure compliance of members with NOI teachings and to prepare for the "War of Armageddon." Members of the FOI are required to participate in military drill and are afforded the opportunity to engage in judo training. The FOI is governed by a military system wherein the members are controlled by general orders similar to those issued by regular military organizations.

APPENDIX

MUSLIM GIRLS TRAINING

On May 19, 1960, a source advised that the Muslim Girls Training (MGT) is a group within the Nation of Islam (NOI) and is composed of all female members of the NOI. The MGT is similar in structure to the Fruit of Islam (FOI), which is composed of male members of the NOI, in that the MGT has officers similar to military organizations to whom other female members are accountable. MGT members receive instructions in homemaking, hygiene, calisthenics and other subjects such as Muslim history and the English language. There also exists a Junior MGT which is composed of female members of the NOI who are between the ages of 15 and 19 and who are afforded military-type drill.

Since 1957 various officers and "sisters" of the MGT have at meetings of the MGT used the term MGT so that it also means General Civilization Class. General Civilization Class refers to classes conducted within the MGT.

The above refers to activities of the MGT at Muhammad's Temple of Islam No. 2, 5335 South Greenwood, Chicago, Illinois.

On May 7, 1964, another source advised that the MGT is a group within the NOI which is composed of all female members of the NOI. The MGT is similar in structure to the FOI which is composed of male members of the NOI. In theory, the MGT exists in all Temples of the NOI and is patterned after the MGT at Muhammad's Temple of Islam No. 2, Chicago. General Civilization Class refers to the collective group of classes held within the MGT.

APPENDIX

MUSLIM MOSQUE, INCORPORATED

The March 13, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 20 which indicated that MALCOLM X (LITTLE), former national official of the Nation of Islam (NOI) and Minister of NOI Mosque #7, New York, who broke with the NOI on March 8, 1964, publicly announced in New York City on March 12, 1964, that he had formed the Muslim Mosque, Incorporated (MMI). The MMI, according to the article, would be a broadly based politically oriented black nationalist movement for Negroes only, financed by voluntary contributions. In this public statement MALCOLM X urged Negroes to abandon the doctrine of non-violence when it is necessary to defend themselves in the civil rights struggle, and he also suggested that Negroes form rifle clubs to protect their lives and property in times of emergencies in areas where the government is unable or unwilling to protect them.

Incorporation papers of the MMI filed on March 16, 1964, with the Business Section, Clerk of Courts, New York County, New York, New York, reflect that the MMI was incorporated under the Religious Corporation Law of the State of New York to work for the imparting of the Islamic Faith and Islamic Religion in accordance with "accepted Islamic principals." The principal place of worship to be located in the Borough of Manhattan, New York, New York.

During an appearance over KYW - Television, Cleveland, Ohio, on April 7, 1964, MALCOLM X stated that the MMI does not stand for integration, but for complete freedom, justice, and equality for Negroes. He stated that Islam was the religious philosophy of the MMI, while the political, economic and social philosophy was black nationalism.

On May 15, 1964, a confidential source advised that the headquarters of the MMI are located in Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York City, where they were established on March 16, 1964.

APPENDIX

NATION OF ISLAM, formerly referred to as the Muslim Cult of Islam, also known as Muhammad's Temples of Islam

In January, 1957, a source advised ELIJAH MUHAMMAD has described his organization on a nationwide basis as the "Nation of Islam," (NOI) and "Muhammad's Temples of Islam."

On May 8, 1964, a second source advised ELIJAH MUHAMMAD is the national leader of the NOI; Muhammad's Temple of Islam No. 2, 5335 South Greenwood Avenue, Chicago, Illinois, is the national headquarters of the NOI; and in mid-1960, MUHAMMAD and other NOI officials, when referring to MUHAMMAD'S organization on a nationwide basis, commenced using either "Mosque" or "Temple" when mentioning one of "Muhammad's Temples of Islam."

The NOI is an all-Negro organization which was originally organized in 1930 in Detroit, Michigan. MUHAMMAD claims to have been selected by Allah, the Supreme Being, to lead the so-called Negro race out of slavery in the wilderness of North America by establishing an independent black nation in the United States. Members following MUHAMMAD'S teachings and his interpretation of the "Koran" believe there is no such thing as a Negro; that the so-called Negroes are slaves of the white race, referred to as "white devils," in the United States; and that the white race, because of its exploitation of the so-called Negroes, must and will be destroyed in the approaching "War of Armageddon."

In the past, officials and members of the NOI, including MUHAMMAD, have refused to register under the provisions of the Selective Service Acts and have declared that members owe no allegiance to the United States.

On May 5, 1958, the first source advised MUHAMMAD had, upon advice of legal counsel, tempered his personal statements and instructions to his ministers concerning the principles of his organization in order to avoid possible prosecution by the United States Government; however, he did not indicate any fundamental changes in the teachings of his organization.

2.

APPENDIX

NATION OF ISLAM, formerly
referred to as the Muslim
Cult of Islam, also known as
Muhammad's Temples of Islam

On May 7, 1964, a third source advised Muhammad had, early in July, 1958, decided to de-emphasize the religious aspects of the teachings of Islam and to stress the economic benefits to be derived by those Negroes who joined the NOI. This policy change, according to MUHAMMAD, would help him acquire additional followers and create more interest in his programs.

APPENDIX

NATION OF ISLAM, MOSQUE #7,
NEW YORK CITY

On May 5, 1964, a source advised that the Nation of Islam (NOI) affiliate in New York City is known as Mosque #7, also known as Temple #7, and is located at 102 West 116th Street, New York City. Mosque #7 is part of the NOI headed by ELIJAH MUHAMMAD, with headquarters in Chicago, Illinois. Mosque #7 has two branches; Mosque #7B at 105-03 Northern Boulevard, Queens, New York City, and Mosque #7C at 120 Madison Street, Brooklyn, New York. These branches are part of Mosque #7.

The date Mosque #7 originated in New York City is not known.

However, in connection with the origin of Mosque #7, it should be noted that in 1953 a second source advised that there was a Temple of the NOI (known to source then as the Muslim Cult of Islam) in New York City located at 135th Street and 7th Avenue, as far back as 1947.

~~CONFIDENTIAL~~1.APPENDIXORGANIZATION OF AFRO-AMERICAN UNITY (OAAU)

On June 28, 1964, MALCOLM X LITTLE, founder and leader of the Muslim Mosque, Incorporated (MMI), publicly announced the formation of a new, all Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Street, New York City.

A printed and published statement of basic OAAU aims read by MALCOLM X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of MALCOLM X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "human rights," while the initial objective is to "internationalize" the American civil rights movement by taking it to the United Nations. LITTLE condemned the non-violent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes of education, politics, culture, economics and social reform.

On August 19, 1964, a confidential source advised that the headquarters of the OAAU are located in MMI headquarters, Suite 128, Hotel Theresa, 2090 7th Avenue, New York City.

NEW YORK POST

Malcolm X Widow Faced Action — For Contempt in Quiz by Jury

By PAUL HOFFMAN

The widow of Malcolm X was threatened with contempt action when she balked at answering questions before the grand jury investigating her husband's death. The New York Post learned today.

The grand jury returned first-degree murder indictments yesterday against three men in the Feb. 21 assassination of the Negro leader. They will be arraigned tomorrow in Supreme Court.

Malcolm's widow, who goes by the name of Mrs. Betty Shabazz, appeared voluntarily before the jury on Tuesday. Her

attorney, Oliver Sutton, said she was "cooperating" in the investigation.

But she balked at almost the first question—her current address. Mrs. Shabazz has been in hiding since several days before the assassination when her Queens home was fire-bombed. She is reported still fearful for her life.

Asst. DA Stern, who is conducting the murder inquiry, wanted to hale Mrs. Shabazz before Supreme Court Justice Gelinoff to direct her to answer, but the differences were ironed out in a corridor conference between Stern, Sutton and Mrs.

*Mrs. Shabazz agreed to answer and returned to the grand jury room. She came out again a few minutes later, after balking at disclosing where she had stayed the eve of the murder and at telling who took her to the fatal meeting.

Again, there was a corridor conference and again, she finally agreed to answer. Her appearance before the panel lasted 20 minutes.

The Indicted Three

The three indicted yesterday were Thomas Hagan (alias Talmadge Hayer), Norman 3X Butler and Thomas 15X Johnson, the latter two both identified with the Black Muslim movement from which Malcolm defected. They were charged with the premeditated murder of "Malcolm Little, also known as Malcolm Shabazz, also known as Malcolm X."

The grand jury also indicted one of Malcolm's lieutenants, Reubin Francis, on assault and Sullivan Law charges in the shooting of Hagan moments after the assassination in the Audubon Ballroom. Hagan is recovering from his wounds in the prison ward of Bellevue Hospital. The others indicted are in the Tombs.

District Attorney Hogan's office would not say if the grand jury is still investigating the role others may have played in the assassination—either in the shooting itself or in its planning.

After the slaying, police said that at least five persons had participated in the shoot-

Malcolm Widow Goes to Mecca

BEIRUT, Lebanon, March 28 (UPI)—Mrs. Betty X, widow of slain black nationalist leader, Malcolm X, arrived in Jedda, Saudi Arabia, today en route to Mecca on a Moslem pilgrimage.

Mrs. X refused to talk to newsmen during her five-hour stopover in Beirut last night. But friends said she cast doubt on her earlier statement she would take over the leadership of the American black nationalist movement vacated by her husband's assassination.

Her late husband made a similar pilgrimage last year.

FREEDOMWAYS ASSOCIATES, INCORPORATED

The records of the New York Secretary of State, Albany, New York, show that the certificate of incorporation of Freedomways Associates, Incorporated, was filed on March 2, 1961.

The Spring, 1964, issue of "Freedomways" is self-described as "A Quarterly Review of the Negro Freedom Movement" published by Freedomways Associates, Incorporated, 799 Broadway, New York City.

On May 24, 1961, a source advised that a report was given on "Freedomways" at a meeting of the National Board, Communist Party, USA (CPUSA), held on May 24, 1961. It was stated that the original plan called for the publication to be openly Marxist, but that it was later decided it would not be avowedly a Marxist publication. Editorials are in the hands of a mixed group of Marxists and non-Marxists. It was stated that the central purpose of "Freedomways" is to develop a theory and positive criticism of currents in the Negro movement, as well as to raise the level of understanding and discussion taking place in Negro life today and to project a socialist and pro-Soviet orientation.

On May 25, 1961, another source advised that "Freedomways" was set up for the CPUSA by [REDACTED] a member of the National Committee of the CPUSA.

A characterization of the Muslim Mosque, Inc. (MMI) and Organization of Afro-American Unity (OAAU) is attached hereto and sources used therein have furnished reliable information in the past.

The New York "Amsterdam News", a New York weekly Negro newspaper, dated April 3, 1965, contained an article captioned "Malcolm's Widow in Mecca". This article in part states that "The possibility of a split in the ranks of followers of the late Malcom X Shabazz loomed heavily this week as Malcolm's widow, Mrs. Betty Shabazz was on her way to Mecca for the annual Moslem pilgrimage during the Hajj pilgrimage season which begins April 13.

"Sources close to Mrs. Shabazz, who left New York last weekend and arrived early this week in Jedda, Saudi Arabia, said she would be making her first pilgrimage to Mecca and would announce her decision on whether she would take the leadership of the Organization of Afro-American Unity upon her return to the United States in late April.

"Friends said Mrs. Shabazz had agreed to make the pilgrimage prior to her husband's death, but had debated whether to go because of the tragic death, but decided to go.

"While Malcolm had always sought to hire Negro lawyers to handle his activities, it was noted that the papers in Supreme Court for the OAAU were handled by a white lawyer, Sidney J. Ettman of 55 Liberty St., New York, N.Y.

"Meanwhile Malcolm's former secretary, [redacted] who has taken over leadership of the Muslim Mosque, Inc., the religious group of Malcolm's followers, pointed out to the Amsterdam News that the two organizations are separate and distinct and that many followers of one are not necessarily followers of the other..."

A source, who has furnished reliable information in the past, advised on February 5, 1965, that [redacted] and [redacted] are members of the OAAU. He further stated that [redacted] is the son of [redacted] of Boston, and [redacted] was the Executive Secretary of the MMI until the death of Malcolm X on February 21, 1965.

A second source, who has furnished reliable information in the past, advised on March 30, 1965, that [redacted] recently stated that Betty Little could do nothing but make a pilgrimage to Mecca since the death of her husband, Malcolm X. [redacted] remarked that she made arrangements for Betty Little to make the trip to Mecca.

On March 30, 1965, [redacted] United Arab Airlines, 720 Fifth Avenue, New York City, advised that he could locate no reservation for Betty Little through United Arab Airlines for Saudi Arabia. On March 31, 1965, [redacted] Air India Airlines, 565 Fifth Avenue, New York City, advised that he could not locate a reservation for Betty Little for March 26, 27 and 28, 1965, on Air India Airlines for Beirut, Lebanon.

[redacted] stated that Air India Airlines has no direct flight to Jedda, Saudi Arabia. He further stated that persons going to Saudi Arabia will usually fly to Europe and then take a direct flight to Jedda, Saudi Arabia.

The New York "Herald Tribune," a local New York daily newspaper, dated March 29, 1965, contained an article captioned, "Mrs. Betty X to Mecca." This article stated that "Mrs. Betty X, also known as Betty Shabazz, widow of the slain Malcolm X, arrived in Jedda, Saudi Arabia on her way to Mecca on a Moslem pilgrimage during the Hajj pilgrimage season. ENCLOSURE

Betty Little

Malcolm X

Malcolm X was founder and leader of the Moslem Mosque Incorporated (MMI), and founder and chairman of the Organization of Afro-American Unity (OAAU). He was shot and killed as he addressed a OAAU public rally on February 21, 1965, at New York City.

Characterizations of the MMI and OAAU are attached hereto and sources used therein have furnished reliable information in the past.

Shirley Graham Du Bois

A confidential source, who has furnished reliable information in the past, made available on January 22, 1965, stationery of the American Institute of Marxist Studies (AIMS). Included among the "founding sponsors" is the name Mrs. Shirley Graham Du Bois.

The Winter, 1963 issue of "Freedomways" identified Shirley Graham as the wife of Dr. W.E.B. Du Bois.

W.E.B. Du Bois

Dr. Du Bois died in Ghana, Africa, at the age of 96. He joined the Communist Party (CP) at the age of 93. His letter of application to the CP, United States of American (USA) and his acceptance were printed in "The Worker" an east coast communist newspaper, issue of November 26, 1961.

Betty Little

A characterization of AIMS and Freedomway Associates, Incorporated, publishers of the magazine "Freedomways" is set forth in the attached Appendix pages and sources used herein have furnished reliable information in the past.

A second confidential source, who has furnished reliable information in the past, advised on April 26, 1965, that a benefit show was held at the Apollo Theatre, at 12 midnight on April 23, 1965, by Negro entertainers, namely Sammy Davis, Jr., [redacted] Ossie Davis, [redacted] and the Lee Roc. Bey Dancers to help raise money for the family of Malcolm X.

The second source stated that during the evening it was announced that Malcolm X's wife, Betty, was unable to appear at the benefit show because she was out of the country. A telegram sent by Betty Little was read to the audience in which she thanked all those who made this benefit show possible.

The New York "Courier", a Negro weekly newspaper dated April 24, 1965, contained an article captioned, "Who Paid for Mrs. X's Moslem Trip to Mecca?" This article stated that "Many questions are being asked by followers of the assassinated Malcolm X following his widow's trip to Saudi Arabia at a time when she was described as 'penniless and destitute' at the time of the slain Black Nationalist leader's death.

" A high-ranking official of the Organization of Afro American Unity which he founded after he defected from the Black Muslim movement last year indicated that efforts to raise money for her and the four children that Malcolm left behind were 'seriously hurt' by her trip. She flew to Mecca

on a Moslem pilgrimage during the Hajj pilgrimage season, a highlight in any Moslem's life.

" Gunned down by several assassins on Feb. 21 in front of 400 people as he prepared to address them at Aububon ballroom, Malcolm X was reported to have died 'broke'. His attorney at that time said that he hadn't even left an insurance policy.

" Since that time many groups and individuals throughout the nation have staged fund-raising benefits in behalf of Mrs. Betty Shabazz. [redacted]

[redacted] of Committee of Concerned Mothers recently reported that more than \$4,000 has been raised to aid the family.

" A benefit show is being planned for the Apollo theatre late this month. In Chicago a memorial service was held Sunday at the Baptist church to collect funds for a scholarship project for the children. Mrs. X is also expecting a fifth child sometime in November.

" Rumors have circulated that her trip may have been sponsored by several African nations which Malcolm visited within the last two years. A name that keeps cropping up among the alleged sponsors of her trip is Gamal Nasser, ruler of the United Arab Republic, and also a good friend of her late husband.

'How can she expect her friends to beg for money for her welfare at a time like this when she makes a trip that's played up in the papers,' a OAAU official asked. 'We've received many inquiries regarding this and it's hard to answer them'."

Ossie Davis and [redacted]

A third confidential source who has furnished reliable information in the past advised on 4-12-62 that Ossie Davis and [redacted] are not known to be members of the CP, however, they have the reputation of supporting or aiding causes, through personal appearances which are also supported by the CP.
